Colectivo Warehouse talk about participative architecture and bottom-up strategies for alternative architectural practices.

The 4th edition of New Generations Festival - ArchitectsVS Rest of the World - took place in Rome in September 24th / 26th, 2017, at Casa dell'Architettura - Acquario Romano. The event proposed an intense program of discussions, workshops and cultural activities, involving numerous international guests, gathered to reflect on the profession of the architect from multidisciplinary points of view.
