Curriculum Vitae

Enric Ruiz-Geli

Main Architect

Cloud 9 s.l

Enric Ruiz-Geli

Figueres, 1968

· Architect for the ETSA of Barcelona

· Visiting Visual Artist at ZKM in Karlsruhe, with a scholarship from Krtu, Generalitat de Catalunya

· Visiting Visual Artist by HANGAR in Barcelona

· Stage Designer associated with Bob Wilson: 'Danton's Tod', Salzburger Festspiele and 'Time Rocker', Thalia Theater, Hamburg, 1995-2000

· Founder, Principal Architect and Director of Cloud 9 studio in Barcelona since 1997

· Co-Director of Metapolis, 2000-2003

· Art Media Consultant for El Mercat de les Flors, 2002

· Curator of the Spanish Pavilion for the V Biennale of Architecture in São Paulo, 2003

· Co-Chairman of the Third Industrial Revolution Architects Roundtable committee with Jeremy Rifkin, since 2007

· Working with Jeremy Rifkin on GGG, Global Green Growth

· President of the Jury of Prix Luxembourgeois d'Architecture, Fondation de l'Architecture et de l'Ingnierie, Luxembourg, 2007

· Participation at program TOYP (The Outstanding Young Persons), organized by International Junior Chamber, Osaka, 2007

· Founder of 'Energy Attack' with Jon Idiakez, 2007

· Tutor Master in Architectural Design Unit at Bartlett School of Architecture, London, 2010-2011

· Teaching and researching about architecture with Pilot Projects in Global Warming Scenarios at Diploma Unit 18, Architectural Association School, London, since 2010

· Co-Chairman of the Figueres Creative City, 2010

· Science Advisory Committee of TECNALIA member since 2011

· HP Experts Committee member since 2012

· Tutor Master in Self-Sufficient Buildings Unit at Institute for Advanced Architecture (IAAC), Barcelona, since 2012

· Adjunct professor at Royal Melbourne Institute of Technology (RMIT University), since 2016

· Enric Ruiz-Geli performs lectures and maintain collaboration with a map of Labs as Angewandte, Architectural Association School, UCLA, Pasadena Art Center, CITA, RMIT, MIT, Bartlett, Buckminster Fuller Institute, ETHZ, IE School of Architecture, above others

· Cloud 9 green agenda is to look at Pilot Projects in Global Warming Scenarios

· Enric Ruiz Geli has created patents as masterpieces of Digital Fabrication

· His building Media-ICT has been awarded as Best Building of the World by WAF 2011; it is a Net Zero Building built at a very competitive construction cost

· Recently Enric Ruiz Geli / Cloud 9 has signed 'Knowledge Transfer Contracts' in Taipei, OECS, Qatar, Kuwait and Russia

· Enric Ruiz Geli works belong to the collections of MoMA (New York), FRAC Centre Collection (Orleans), Centre Pompidou (Paris), CCA (Montreal)

Enric Ruiz Geli at Cloud 9 office in Barcelona with a signed portrait of Buckminster Fuller in the background. The Portrait refers to the Non-Symmetrical Tension – Integrity Structures. United States Patent Office N° 3.866.366, filed August 7, 1973, Serial n° 386.302, granted February 18, 1975.
Inventor: Buckminster Fuller
Photo: Albert Bertran

Awards

· LEED (Leadership in Energy and Environmental Design) certification to H108 Project in Taipei, Taiwan, 2015

· Honorable Mention at Zumtobel Group Award with Media-ICT building, 2012

· Winner of WAN 21 for 21 Award, International Sector Awards, Excellence in Design, 2012

· WAF Award (Word Architectural Festival), Word Best Building. Media-ICT, 2011

· WAF Award (Word Architectural Festival), Word Best Office Category Building. Media-ICT, 2011

· Green Building Council (GBC) Certificate, 5 leaves. The Millennium Project in Valladolid, 2011

· Research Award XI Spanish Biennale of Architecture and Urbanism with Media-ICT, 2011

· Special Mention at FAD Awards with Media-ICT, 2011

· First Prize competition Pavilion Spéciale in Ecole Spéciale d'Architecture, Paris, 2011

· Nominee to the Brit Insurance Design Awards with Media-ICT, 2011

· Nominee to the City of Barcelona Award with Media-ICT, 2011

· Nominee to the Union Prize for Contemporary Architecture, Mies van der Rohe Award with Media-ICT, 2011

· Nominee to the Iakov Chernikhov International Prize, Moscow. Media-ICT, 2011

· Building Energetic Rate 'A'. Media-ICT building, 2010

· Award for Sustainable Construction, Castilla y León, III Edition. Media-ICT, 2010

· Steel Structures Design Award ECCS (European Convention For Constructional Steelwork), Media-ICT, 2009

· Honorable Mention Environment Award by Generalitat of Catalonia at category Research, Development and Innovation Projects towards Sustainable Construction. Media-ICT, 2009

· Finalist at Spanish Architecture and Urbanism Biennale X, with Villa Nurbs, 2009

· Honorable Mention at VII ASCER Award to Architecture and Interior Ceramic. Villa Nurbs, 2009

· First Prize Corian Dupont. Villa Nurbs, 2008

· R+D Award Architect at SciArc Los Angeles to 'Artificial Leaf' prototype, Prestige Forest Hotel, 2008

· Finalist Saloni Awards with Evru Cave, 2008

· Prize 'Emergente Tendencias' by Newspaper 'El Mundo', 2008

· First Prize Competition SED Pavilion, organized by Expo Zaragoza, 2008

· Subvention by Entitat Autònoma de Difusió Cultural, Generalitat of Catalonia to the project 'From Physical to Digital Realms through CAD CAM Processes'. Villa Nurbs, 2008

· First Prize International Competition for the New York Aquarium at Coney Island, Wild Life Conservation Society, 2007

· Prize Quatrium Best Architect by Grupo Via, 2007

· Prize Chicago Ateneum, 2007

· First Prize International Competition Media-ICT, el Consorci de la Zona Franca and 22@, 2006

· Finalist at VI Edition Saloni Award to Architecture. Villa Bio, 2006

· Finalist at FAD Architecture and Interior Design Prize. Morphorest, 2005

· Prize Association of Catalan Art Critics (ACCA) to Galería Joan Prats for Best Exhibition Evru, 2003

· First Prize, International Competition for the Aviary at New Marine Zoo of Barcelona, 2000

· First Prize, Ephemeral Architecture Aguirre Newman IAZ, 1998

· First Prize, International Competition 2G, for the New Mies van der Rohe Foundation, 1998

Cooperation

· Workshop "Kunstlandschaften" at Universität Innsbruck, Innsbruck, Austria, 2013
· Art Center College of Design, Pasadena Los Angeles Architectural collaboration. Directors: Nick Hafermaas and Enric Ruiz Geli
· Design and co-direction of Cidade10 workshop in the framework of the V Architecture Biennale in São Paulo, together with Tomie Ohtake Institute and Abrinq and Sandoval Roig Foundation
· Venice Declaration Letter of Third Industrial Revolution by Jeremy Rifkin, Biennale di Venezia 2008 - Mostra Internazionale di architectura
· Partnership with Arquitectos sin Fronteras project - ASF, Scalae Universes of Light
· Participation at TOYP (The Outstanding Young Persons) Program, contribution of ideas for Japanese Society of 21 century
· "Once . . . a Wave", architectural project and workshop, Green Peace Spain, San Sebastian, 2008-2015

Prototypes R+D+I

· Artificial Leaf for the Forest Hotel Habitat, 2005; together with iGuzzini as industrial developer
· Aviary Tree, Zoo Marine, Barcelona, Ajuntament de Barcelona, 2002; together with BEC and BuresInnova as industrial developers
· Vertical Garden, Habitat, Barcelona, 2004; together with BuresInnnova as industrial developer
· Ceramic skin, Villa Nurbs, Empuriabrava, 2000-2010; together with Ceràmica Cumella S.L. and Industries BEC S.A. as industrial developers
· Corian skin, Villa Nurbs, Empuriabrava, 2000-2010; together with Industries de la Fusta Vilà as industrial developer
· Translucent concrete and leds, Villa Nurbs, Empuriabrava, 2000-2010; together with Presoltec and Led's Go Editions as industrial developers
· Nitrogen Cloud, Media-ICT, El Consorci de la Zona Franca, Barcelona, 2006-2010; together with Vector Foiltec and Dragados as industrial developers
· ETFE Arduino diaphragm membrane, Media-ICT, El Consorci de la Zona Franca, Barcelona, 2006-2010; together with Vector Foiltec and Dragados as industrial developers

Built Works

· Stgilat Aiguablava, A Mediterranean Case Study, Aiguablava, 2012-2015
· Stgilat Pavilion, a collaboration with Art Center College of Design Pasadena, Aiguablava, 2012-2015
· H108 Project, Farglory Group, in association with Huang Yung Hong, Wwarc, Taipei, Taiwan, 2011-2014
· House of Creativity for AMPO Headquarters, Idiazabal, Spain, 2014
· Arbre Empathique, Brest, France, 2012
· The Millennium Project, Valladolid, 2011
· Pavilion Spéciale, 2011
· Media-ICT building, El Consorci Zona Franca 22@, Barcelona, 2010
· SED Pavilion in Expo Zaragoza, 2008
· Evru Cave, Barcelona, 2008
· Villa Bio, Llers, Figueres, 2006

· Blubbloblab in Construmat, Barcelona, 2005
· Morphorest, Forum of Cultures Barcelona, 2004
· Cloud 9 office, Barcelona, 2002

Work in progress

· elBulliFoundation for the chef Ferran Adrià, Cala Montjoi, Roses, Girona, 2010-2015
· Factory of the Future , AMPO Headquarters, Coimbatore, India, 2013-2014
· Glampings, Southcape, Korea, 2012-2014
· Markaz Tower, with SSH, Kuwait, 2012-2014
· Villa Nurbs, Empuriabrava, 2008- 2013

Projects in progress

· Natur Argia, Mungia, Vizcaya, 2015
· EKIN Headquarters retrofitting, Amorebieta-Etxano, Vizcaya, 2014
· Youth Recreation Center, Krasnodar, Russia, 2013-2014
· Lusail City, Doha, Qatar
· Wydham Grand Regency Hotel Interior Retrofitting, Doha, Qatar, 2011-2012
· Mövenpick Hotel, Doha, Qatar, 2012-2013
· Kids Water Sports Facilities, Moscow, 2012
· New Headquarters of the OECS, Santa Lucia, Eastern Caribbean
· Kids Land, Busan, Korea
· Once ... a Wave, San Sebastian
· Aviary, Marine Zoo, Barcelona, Ajuntament de Barcelona Cultural Centre "Joaquim Xirau", Figueres, Girona
· Zoo of Damascus, Damascus
· Hotel Forest, Animua, Barcelona
· New York Aquarium (WRT in association with Cloud 9, with Frei Otto Architecture and Ebbnert-Ullman), Coney Island, New York

Exhibitions

· Archaeology of the Digital: Complexity and Convention with Villa Nurbs, CCA, Montreal, 2016
· Beyond Building Barcelona, Construmat, Barcelona, 2015
· 13th Biennale di Venezia 2012, Mostra Internazionale di architectura, Venice, 2012
· Gwangju Design Biennale, Gwangju, South Korea, 2011
· Energy Environment Experience towards Empathy, Galería Gloria, Madrid, 2011
· Brit Insurance Designs awards of the Year, Design Museum, London 2011
· Una ciudad llamada España, Ministerio AECID, Moscow, Russia, 2011
· Una ciudad llamada España, Ministerio AECID, Atenas, Greece, 2011
· Santa&Cole exhibition, Villanurbs, Madrid, 2011
· Audi Urban Future Award, Venice, 2010

· Catalan Architecture, Cité de l'Architecture, Paris, 2009
· 10th Spanish Architecture and Urbanism Biennial, 2009
· A Green New Deal... from geopolitics to biosphere politics, Fundacion Cristina Enea, San Sebastian, 2009
· A Green New Deal...from geopolitics to biosphere politics, Centre Arts Santa Monica, Barcelona, 2009
· Villa NurbsCeramics, Museu de la Ceràmica, Icub, Barcelona, 2009
· "Enric Ruiz-Geli: A Green New Deal... Cloud 9", "Fuzzy Boundaries", UCLA Department of Architecture and Urban Design, PERLOFF HALL, Los Angeles, 2009
· 11th Biennale di Venezia 2008, Mostra Internazionale di architectura, Venice, 2008
· Barcelona Projects: Building the Future, at The Octagon Museum, AAF, Washington, 2008
· YOUniverse, 3a Bienal de Arte Contemporáneo de Sevilla, at CAAC, Sevilla, 2008
· Patent Constructions. New Catalonian Architecture, at DAM, Frankfurt and the Swedish Museum of Architecture, Stockholm, 2008
· Barcelona Meeting Point, Fira de Barcelona, Barcelona, 2008
· New Trends in Architecture in Europe and Asia, Patras, Tokyo, Barcelona, Luxemburg, 2006-2007
· La Frontera - vacios urbanos, Zaragoza, 2006
· On-Site: New Architecture in Spain, MoMA, NY, 2006
· Les temps des Lumières, Nancy, France, 2005
· Open Borders, cultural capital Lille, 2004
· HiperCat, Macba, Barcelona, 2003
· V Biennal of Architecture, Sao Paulo, 2003
· Archilab, Frac, Orleans, 2002
· Venice Biennal of Architecture, Venice, 2000
· Spek, Metrònom, Barcelona, 2000
· Spek, Ministerio de Fomento, Madrid 2000
· Spek, Aedes East Gallery, Berlin, 1999
· Arc en Reve-Bourdaux, 1997

Exhibition and Theatre Design

· "It's All About Particles: ElBulliFoundation", Biennale di Venezia, Venice, 2012
· Exhibition design for the retrospective "Zush" at Art Center Reina Sofia in Madrid and at Museum of Contemporary Art in Barcelona (MACBA)
· Exhibition design for "La Ciutat dels Cineastes [The Film Directors' City]" at Center of Contemporary Culture in Barcelona (CCCB)
· Exhibition design for "Mons Privats Mirades Públiques [Private Worlds Public Gazes]" at Museum of Ceramics, Barcelona
· Performance "Blubbloblab" with Pep Bou at Piccolo Teatro. Biennale di Venezia 2008, Mostra Internazionale di Archittectura2008. With the support by Institut Ramon Llull
· Scenography of the exhibition "Turisme. Espais de Ficció [Tourism. Spaces of Fiction]" by Dhub, Icub, Barcelona, 2008
· Exhibition design for "Arenal de la Memoria [Sandpit of Memory]", "No discriminació [No Discrimination]" and "Terra a la Vista [Land in Sight]" for Forum of Cultures 2004, Barcelona
· Exhibition design for "La diversitat de la Vida [The Diversity of Life]" at Zoology Museum, Barcelona 2004
· Scenography "La Nit dels Laus" for Adg-FAD
· Scenography "Nit Eurocities", Pedralbes Palace, Barcelona City Council

· Scenography "C de C" Awards, Club of Creators from Spain, Mercat de les Flors
· Scenography "Nit in" for COAC, Catalan Architects' Association, Mercat de les Flors
· Scenography of "Musical Gaudí" with Franc Fernandez, for Focus, 2003

Theatre Direction

· Direction and scenography "Bosque Sonoro", www.johncage.info, Mercat de les Flors, 2004
· Direction of "Media House Project", with Vicente Guallart and Willy Muller, in Metapolis 3.0, 2002
· Direction of "Opera J" in the Festival Metapolis 2.0, Mercat de les Flors, 2001

Lectures

2016
"Media-ICT", Summer School Barcelona-Montréal, Barcelona
Conversation at "The Greg Lynn Show" hosted by Greg Lynn, CCA, Montreal
"It's all about Particles", 5@8 Mosaic, HEC, Montréal
"It's all about Particles", workshop "La Nuite", Universities of Fribourg, Geneva and Bern, Joint Master of Architecture, Fribourg

2015
"It's all about Particles", Taliesin West, Arizona
"It's all about Particles", Raumwelten - Platform for Scenography, Architecture and Media, Stuttgart
"Recent Projects" at Beyond Building Barcelona, Construmat, Barcelona
"Recent Projects" at Deià School of Art and Design, Barcelona

2014
"Recent Projects" at COAG, Granada
"ElBulliFoundation" at IV International Biennale of Sustainable Architecture, Habitat Futura, La Pedrera, Barcelona
"EEE towards E: Environmental Energy Experiences towards Empathy" at Audi E-Tron HUB, Barcelona
"Enric Ruiz Geli introduces Jeremy Rifkin" at AMPO Headquarters, Idiazábal
"It's all about Particles" at EKODesign event, Istanbul, Turkey
"elBulliFoundation" at TEDxESADE event, ESADE, Barcelona
"elBulliFoundation" at Auditori de Teulada Moraira, Moraira, Alicante
"elBulliFoundation" at Massachusetts Institute of Technology, Cambridge, USA
"It's all about Particles" at Autodesk Headquarters, San Francisco, USA
"Media-ICT" at Barcelona City Hall, Barcelona
"Enric Ruiz Geli introduces David Mocarski" at IAAC (Institute of Advanced Architecture of Catalonia), Barcelona

2013
"It's all about Particles" at Design Computation Symposium, Autodesk University, Las Vegas, USA
"It's all about Particles" at Architects' Journal Footprint Sustainability Forum, London, United Kingdom
"Recent Projects" at "Inspiring Day", Forum "Aging" by Tecnalia, Barcelona
"It's all about Particles" at Prishtina Architecture Week, Prishtina, Kosovo
"It's all about Particles" at Building Dynamics Symposium (University of Calgary), Banff, Canada

"It's all about Particles" at IAAC (Institute of Advanced Architecture of Catalonia), Barcelona

"elBulliFoundation" at IESE (Telefónica), Madrid, Spain

"Architecture and time from the photography" at CCCB, Barcelona, Spain

"It's all about Particles" at St. Petersburg Architectural, St. Petersburg, Russia

"De l'Evolution à L'innovation" at Hotel W, Barcelona, Spain

"It's all about Particles" at Facoltà di Architettura di Genova, Genova, Italia

"It's all about Particles" at Greenwich University, London, United Kingdom

"It's all about Particles" at IIID (Institute of Indian Interior Designers), Bangalore, India

"It's all about Particles" at IFAWPCA (International Federation of Asian & Western Pacific Contractors Association), Kochi, India

2012

"It's all about Particles", Universität Innsbruck, Innsbruck, Austria

"It's all about Particles", Ceramic Cathedra València, València, Spain

"It's all about Particles", Maison de l'Architecture du Centre, Orléans, France

"It's all about Particles", ADDTHOUGHT, Aalto University, Helsinki, Finland

Round table Zumtobel Group Awards, Berlin, Germany

"It's all about Particles", Akademie der Künste, Berlin, Germany

"It's all about Particles", I Mediterranean Congress on Energy Efficiency and Smart Green Cities, Tarragona, Spain

"It's all about Particles", L'Empordà, "Landscape as Economic Asset", Figueres, Spain

Round table HP Experts at WAF (World Architectural Festival), Singapore

"It's all about Particles", Keynote at WAF (World Architectural Festival), Singapore

"Media-ICT", CREDAI' 12th NATCON to RICS (Royal Institution of Chartered Surveyors), Barcelona, Spain

"It's all about Particles", Congress of Russian Cities Construction, Ulyanovsk, Russia

"It's all about Particles", Bahrain University, Bahrain

"It's all about Particles", at IAAC (Institute of Advanced Architecture of Catalonia), Barcelona, Spain

"It's all about Particles", Central House of Architects, Saint Petersburg

"It's all about Particles", Arch-Moscow, Central House of Artists, Moscow

"It's all about Particles", Art Center College of Design, Pasadena, Los Angeles

"It's all about Particles", The Buckminster Fuller Institute, New York

"It's all about Particles", SmartGeometry, Albany, New York

"It's all about Particles", College of Architecture, Virginia University

2011

"It's all about Particles", College of Architecture, Kuwait University and SSH, Kuwait

"Media-ICT, Sustainable & Tech building in 22@", Smart City Congress, Fira Barcelona

"It's all about Particles", Shih Chien University, Department of Architecture, Taipei

"Media-ICT", Art Futura, Buenos Aires

"Media-ICT", Universidad La Plata, La Plata

"Landscape and Sustainability", Tribuna Girona, La Caixa Foundation, Girona

"Media-ICT", Awarded Works at Spanish Architecture Biennale, Madrid

"Media-ICT", WAF (World Architectural Festival), Barcelona, 2011

"Energy Environment Experience towards Empathy", Universidad de Tubigen, Tubigen, 2011

"Energies, what forces will change the cities of the future?" Symposium Audi Future Summit, Frankfurt

"Media-ICT", Symposium, Croatia

"Media-ICT", PINC.12, Holland

"Energy Environment Experience towards Empathy", Galería Gloria, Madrid

"Energy Environment Experience towards Empathy", École Spéciale Paris, Paris

"Fabricate", Bartlett School of Architecture, London

"Smart Grid Seminar", Barcelona Digital Global Congress, Barcelona

Juror at Yale University School of Architecture by Enric Ruiz Geli, New Haven, Connecticut

"Media-ICT", ETSAB, The Collective, Barcelona

"elBulliFoundation", Madrid Fusion, Madrid

"Media-ICT", Architectural Association School of Architecture, London

2010

"Digital Crafting", Symposia, CITA, Copenhagen

"The optimization of material and energy saving. Media-ICT", Seminar on Architecture and Industry, Architecture and Sustainability Foundation, Madrid

"A Green New Deal", Symposium of Architecture and Urbanism, SENAC University, Sao Paulo

"Bartlett International Lecture Series 2010", Bartlett School of Architecture, University College, London

"Media-ICT", Lecture Series "QUT Design", University of Technology, Brisbane, Australia

"Innovation in architectural spaces", Kubik by Tecnalia, Bilbao

"The Media-ICT Building", I3Con, Madrid

"Spain Now", KTH Royal Institute of Technology, Stockholm

"Architectural Encounters", Buenos Aires, Rosario

"Día C. CdC Fair of Creativity", Fabra i Coats, Barcelona

"The ICT at the architectural world towards the energy efficiency", Bdigital, ESADE, Barcelona

"Villa Nurbs" (From Geopolitics to Biosphere Politics), Palais de Chaillot Auditórium, Paris

"A Green New Deal" (From Geopolitics to Biosphere Politics), Cite d'Architecture Palais de Chaillot Auditórium, Paris

2009

"A Green New Deal", Cristina Enea Foundation, San Sebastian

"A Green New Deal", Arts Santa Monica, Barcelona

"Energy Sustainability", Workshop with Jeremy Rifkin, Principality of Monaco

"CPS Sustainability Design", Workshop with Jeremy Rifkin, City of San Antonio

"Catalan Architecture 2004-2009 Roundtable", Catalan Architecture 2004-2009, Portrait d' époque, Palais de Chaillot, Paris

"A Green New Deal", ArtFutura 2009, "From the Virtual Reality to the Social Networks", Barcelona

"A Green New Deal ", IE School of Architecture, Aula Magna, Segovia

"Public/Domestic Space" at Festival of Architecture Eme3 Collapse, "New Scenarios", Barcelona

"The Sustainable City", at Series of Debates "The Art of Survival", La Caixa, Barcelona

"Performing Particles: Science and Fiction", Lecture Series "Design, Innovation and Company", IED, Madrid

"Science and Fiction", 10º International Congress of Architecture and Design Arquine, Teatro Metropolitan, Mexico DF

"Enric Ruiz-Geli: A Green New Deal… Cloud 9" at "Fuzzy Boundaries", UCLA, Department of Architecture and Urban Design, Perloff Hall, Los Angeles

"TIR (Third Industrial Revolution)", at "Energetic City", Urbania Conference, 4º Festival Internazionale di Urbanistica, Bologna

2008

"Media-ICT" at Mater, Center of Materials, FAD, Barcelona

"The positive virus should be expanded. Parameterized accidents" at Creative Cities Days, Sitges Design Center, Barcelona

"Science and Fiction" at "Coup de Dés", Mies van der Rohe Pavillion, Barcelona

"Blubloblab", with Artist Pep Bou at Teatro Piccolo, Venice Biennale

"Science and Fiction", The Watermill Center's Summer Lecture Series, Byrd Hoffman Watermill Foundation, NY

"Performing Particles", Singel Auditorium, Amberes

"Performing Universe" at "Architecture for Music", for Centennial of Palau de la Musica Catalana, International Synopsium, Barcelona

"Energy Attack", III Assembly of Cities of the Spanish Network towards Climate, Miramar Palace, San Sebastian

"Science and Fiction: From Parametric to Natural Performance", at AIA New York

"Performing Particles", at the Architectural Association School of Architecture, London

2007

"Villa Nurbs", ETSA Sevilla, Dragados Prizes, Sevilla

"Performing Particles", Opening conference at School of Architecture of Alicante, Alicante

"Villa Nurbs", Video conference, Granada Festival, Granada

"Performing Particles", Opening conference at the international meeting "The New Boundaries of Science, Art and Thinking - Out of Balance". KRTU, Palau de la Música, Barcelona

"Performing Particles", Kogakuin University, for "New Trends of Architecture" Symposium, Tokyo

2006

"Villa Nurbs", Princeton University

"Henry Moore i ENRG", at CaixaForum, Barcelona

"New Trends in Architecture, Europe and Asia", Patras

"PechaKucha Night Exhibition", Tokyo

"Villa Nurbs: the positive virus" at "12+12=3 Debates on Architectural Bearings in Spain", Columbia University, colloquium at Miller Theatre, New York

"Archi J" at International University Menéndez Pelayo, Barcelona

"Particles of Light", lecture and round table with Jurgen Mayer at "Architektur. Import/Export", ADG-FAD, Barcelona

2005

"Villa Nurbs: digital making", at Projects Workshop by Juan Herreros, ETSAM, Madrid

"Parameters and accidents: the added value is an emergency of the complexity, . . Accidents to Beauty", "Accidents to Beauty", Workshop at the Ministry of Housing, directed by Iñaki Ábalos, Seminar "Beauty", Madrid

"Lecture by Enric Ruiz Geli", Columbia University School of Architecture, New York

"Recent Projects", Exhibition "Esqueletos", at COAC, Barcelona

2004

"Parametric Accidents", COAC, Figueres

"Parameters and accidents: the added value is an emergency of the complexity", Official Colleague of Architects in Extremadura, Badajoz, Spain

"Landscape of Events" performance at European Media Art Festival, Media House, Osnabruck

"Landscape of events", at Summer Course "Strange Types in the Landscape" at the Architects' Association of Almeria, Spain

 "The Relational City" at MARQ (Museum of Architecture), in Buenos Aires, Argentina

"Landscape of events" at "Catalan Architecture Vol. 2" at COAC, Barcelona

"The Relational City" at XIV Panamerican Bienniale of Architecture of Quito, Ecuador

2003

"Parametric Design Villa Nurbs", at IAAC, Barcelona

"Cidade 10" at the Kunst Hauss, for the Biennale of Media & Architecture in Grasz, Kunsthaus

2000

"Recent projects" at the Hochschule Der Künste, Berlin

"A Green New Deal", editorial ACTAR

"Media-ICT", editorial ACTAR
