Encouraging Critical Thinking in Architecture

<https://urbannext.net/encouraging-critical-thinking-in-architecture/>

urbanNext interviews Martha Thorne about encouraging critical thinking in architecture. Martha is a Senior Advisor at Henrik F Obel Foundation, former Distinguished Professor at the [IE School of Architecture and Design](#) and the former Executive Director of the Pritzker Architecture Prize. She speaks about architectural awards and the importance of providing new educational environments that foster an entrepreneurial spirit.
