Green New Deal Landscapes: session 6  
<https://urbannext.net/green-new-deal-landscapes-session-6/>

Green New Deal Landscapes is a series hosted by Jose Alfredo Ramírez and Clara Olóriz Sanjuán, both co-directors of AA Groundlab. Each session discusses the relationship between policy making and our environment and explores how we can tackle climate change through landscape design.

Alfredo is joined by Neil Brenner and Kai Heron to discuss global environmental politics and inherited approaches to urbanization.
