The Importance of Spatial Data in Cities' Planning Agenda  
<https://urbannext.net/spatial-data-in-cities-planning/>

Hyungmin Pai, Matteo Robiglio and Nina Rappaport talk about the importance of spatial data in cities' planning agenda.

**Excerpt of an urbanNext think tank held at the Torre dell'Arsenale in Venice, as an event alongside the Venice Biennale of Architecture 2018, for the Future Urban Legacy Lab (FULL), a research centre of the Politecnico di Torino.**
