The Role of Design on the FULL's Research Agenda
<https://urbannext.net/the-role-of-design-full/>

Matteo Robiglio talks about how to recover design as a research tool and facing real life urban challenges through the FULL's agenda.

Excerpt of an urbanNext think tank held at the Torre dell'Arsenale in Venice, as an event alongside the Venice Biennale of Architecture 2018, for the Future Urban Legacy Lab (FULL), a research centre of the Politecnico di Torino.
